NEW RELEASES AND HIGHLIGHTS

CODEX 632 THRILLER SERIES, 6 x 45'

A linguistics professor investigates a 500 year-old mystery that turns out to be a dangerous secret. Based on the international bestseller by José Rodrigues dos Santos. Deep and real history as well as stunning locations comprise the set for this gritty mystery.

CHAOS SUSPENSE SERIES, 10 x 45'

A fateful night for ten excited teenagers attending a rock concert backstage. An explosion kills some, injures others. Was it an assault? Only in the final episode will we understand what really happened. **Suspenseful storytelling over 10 episodes.**

COLD VALLEYS CRIME SERIES, 10 x 90' (TBC)

Two charismatic Austrian police officers from very different sides of the tracks make for an unlikely team to solve the twisted rural crimes in an insular Alpine countryside. **Richly-plotted, movie-length new crime series designed for primetime.**

NEW EPISODES

CGLC CRIME SERIES, 68 x 50' (TBC)

Investigative storylines and interpersonal drama hold viewers' attention like the changing weather of the open, breathtaking alpine setting of Lake Constance – bordering four European countries. **Ideal for early primetime crime fans hungry for scenes outside city lights.**

LOST WHISPERS OF THE WILD NATURE CLASSICS, 2 x 80'

Huge cinematic successes at the time of their premiere in the 1950s these documentaries masterfully foreground our poor stewardship of the natural environment around us – a phenomenon magnified further by the decades of distance since the Grzimeks wrote and shot the footage. **#saveourplanet**

BECOMING ALICE

BIOPIC, 2 x 90'

Feminist icon and journalist Alice Schwarzer began her fight for women's rights in 1960s Paris before taking that fight back home to Germany and winning it by starting her own women's magazine Emma. **A rich and influential topic with the witty pace and courage of her subject.**

FEATURING ELLA

YOUTH DRAMA / MUSIC, 100'

A girl-band takes on teenage angst in all its forms and applies music to heal their worries, express their aspirations and resolve their conflicts while finding their place in the world. **A feel good film with plenty of humor, rhythm and light sides.**

A STOLEN LIFE

WW II DRAMA, 90'

A woman unwilling to trade her dignity. With the humanist support of female compatriots, Martha Liebermann risks on every level to escape the clutches of NAZI chauvinism and brutality. Subtly powerful for its tension and historically accurate locations. **Starring A-list cast.**

WINNER OF THE GOLDEN NYMPH FOR BEST FILM AND BEST ACTRESS.

WHITE SILENCE

DRAMA, 90'

One woman fights on all fronts to correct a terrible wrong: Nurse Clara battles systems, co-workers, stereotypes and fear to stop Germany's most prolific serial killer since 1945. **An emotionally rich thriller hospital drama inspired by regrettably true events.**

THE HEART OF CAPE TOWN

EVENT MOVIE, 105'

A white woman and a black man, two brave and gifted surgeons, each kept down by the system, fight for their instrumental roles in influencing, inspiring and assisting in the first pioneering heart operation. Based on the true story of the first heart transplant in 1967. **Moving and captivating.**

NEW RELEASES AND HIGHLIGHTS

UNDERDOGS CRIME SERIES, 4 x 90' TBC

Gritty detective thrillers playing at untangling deep psychological knots through unexpected turns of human darkness, all while struggling to solve the next bizarre murder. An extreme but real life detective thriller series with unorthodox cases and a reckless pace.

STORM OF LOVE TELENOVELA, 180 x 50'

Bright and ambitious Eleni pops in for a family visit and decides to stay with her family longer than planned to rekindle some warmth. Will she regret it? She gets dragged into local rivalries of family secrets and loses her heart to the dashing Leander as well. **Most successful European telenovela to date**
